The pre-professional Graphic Design program typically takes one year to complete. After completing the pre-professional program requirements, students may apply to the professional Graphic Design program. Students will not be permitted to take professional Graphic Design coursework without acceptance into the professional Graphic Design program. If admitted into the professional Graphic Design program, it will take students three additional years to complete the professional program regardless of transfer credit standing.

Admission into the professional Graphic Design program is subject to a competitive application process. If accepted to the professional program a laptop will be required, please see the College of Business Advising website for specifications. To apply and be considered for admission, all pre-professional graphic design students must meet the following requirements:

- Be declared as a Pre-Graphic Design major.
- Have a minimum OSU cumulative GPA of 2.5. Note: The average GPA of those who were accepted in the 2014 cohort was 3.33.
- Have completed and received a C- or better in all courses below.
- Have completed at least 40 credits of coursework at OSU by the end of the spring 2016 term.

Pre-professional graphic design core courses that must be completed by the end of the Spring 2016 term with a C- or better:
