Guidelines for Academic Credit

Eligibility: Students with 90 credits or more

Supervision: The work of the project shall be supervised by a college faculty member.

Academic Credits:
- The number of academic credits earned will be determined by the COB faculty supervisor, based on three academic hours per week equivalent to one credit.
- These courses are offered on a normal grading basis (A-F), unless otherwise noted in the Course Catalog.
- Courses are repeatable to a maximum of 16 credits.

Timing: Retroactive approval or credit for previous work will not be granted. All arrangements must be finalized prior to the start of the project. The student must register for the credits in the term in which the project actually occurs. Please submit the form at least one week prior to the start of the term to ensure adequate time for approval and registration.
