** This table serves as a tool to assist you in understanding course equivalencies, contact an advisor for specifics in regards to degree completion.*

Note 1: There are no direct equivalents in accounting. If you split the sequence between OSU and PCC, see an OSU academic advisor first! PCC's BA 211 & 212 = OSU's BA 211.

Note 2: Students admitted to OSU's College of Business with OSU catalog year 2016/17 or later will need to follow our new Pre Business curriculum above. Some class requirements have changed from prior years. Talk with an advisor if you have questions.

Note 3: If you are pursuing a transfer degree at PCC, please note that there is an 8-credit requirement for WR courses. Please check with your PCC advisor, if you are unsure about how to satisfy that degree requirement at PCC.

Note 4: Students who transfer in and are immediately prepared to apply to Pro-School will take BA 381. All other transfer students will take all or part of the 281 series.
