

### **Accounting/Finance Opportunity: Staff Accountant**

- Management development program offering a career path to Controller
- Position based in Tualatin, Oregon

Gain real-world business, accounting and financial training that will teach you all aspects of financial management pertaining to running a successful business. Our program is a training ground for future promotion opportunities to Business Manager / Controller throughout the US, Canada, UK, Ireland or Germany. Enterprise Holdings is the name behind Enterprise Rent-A-Car, National Car Rental and Alamo Rent A Car. We are an industry leader with a team united behind a common mission: to be the best and most comprehensive transportation service provider and the world.

We offer a comprehensive development program where you will work closely with sales and marketing, human resources, procurement, and more to produce excellence in customer service, growth strategies, operating efficiencies, and profitability. As a Staff Accountant, you will be exposed to basic accounting procedures and principles ranging from accounts payable and receivable systems to financial statement preparation, and analysis.

As your understanding of our business grows and your ability to make solid business decisions develops, you may have the opportunity to take on a supervisory role within a business management team. Our program fully prepares you to become a Business Manager/Controller of your own financial operation, overseeing all aspects of financial management and providing balance to the partnership formed with the marketing and operational pieces of our business.

Plus you'll work with fun people at a \$10 billion industry leader that is one of *BusinessWeek* magazine's "50 Best Places to Launch a Career".
