Dear Graduates,

Congratulations — you’ve made it! This is a big moment. Earning your degree from the College of Business took focus, resilience and a lot of hard work. It’s a major achievement, and I hope you take real pride in what you’ve accomplished.

Along the way, you’ve tackled real business challenges, worked with actual companies and learned by doing. You’ve sharpened your skills, grown as a thinker and contributed in ways that matter. That’s not just education — it’s preparation for leadership, wherever life takes you.

As you head into what’s next, keep in mind: business touches everything. It shapes lives, builds communities and opens doors. Keep showing up with purpose. Lead with integrity. Use what you’ve gained here to make a difference — for yourself and for others.

We’re proud to call you a graduate of the College of Business. You’re now part of a strong alumni community, and we’re excited to see what’s ahead for you.

Wherever life takes you, we’ll be cheering you on.

Go Beavs!
