* This table serves as a tool to assist you in understanding course equivalencies, contact an advisor for specifics in regards to degree completion.

Note 1: There are no direct equivalents in accounting. Don't split the sequence between CGCC and OSU. You must take BA 211, BA 212, and BA 213 in order to receive credit for OSU's BA 211 & BA 213. If you complete only one or two of the courses, you will receive only elective credit.

Note 2: There is no MTH 241, but MTH 251 may be used to fulfill this requirement (take MTH112 prerequisite first).

Note 3: Students admitted to OSU's College of Business with OSU catalog year 2018/2019 or later will need to follow our current business core curriculum above. Some class requirements have changed from prior years. Talk with an advisor if you have questions.
