Special Permission – Visiting Student Status is for students who are formally admitted to a business program at another university or who are admitted to a graduate program (including at PSU) who need to take business courses at PSU and transfer the credits to meet their program requirements.

Students not formally admitted to PSU or who have never taken a class at PSU must submit a Non-Degree Entry Form to the Registrar's Office [(503) 725-3311] in Neuberger Hall before submitting this form. If you do not pursue Non-Degree student status, it will delay the processing of this form.

★ IMPORTANT:

- ◆ Students with Non-Degree student status are limited to 8 credit hours in the Fall, Winter, and Spring quarters. Summer quarter has a 21 undergraduate credit hour and a 16 graduate credit hour maximum.
- ◆ Special Permission does not guarantee a space in the class. Registration is on a space available basis.
- ◆ PSU faculty reserve the right to determine if students are qualified to take courses listed below. If unqualified, the student may be dropped from the course.
