

REMOTE LAB ACCESS

Connect to a computer in Austin Hall to use
our academic programs.

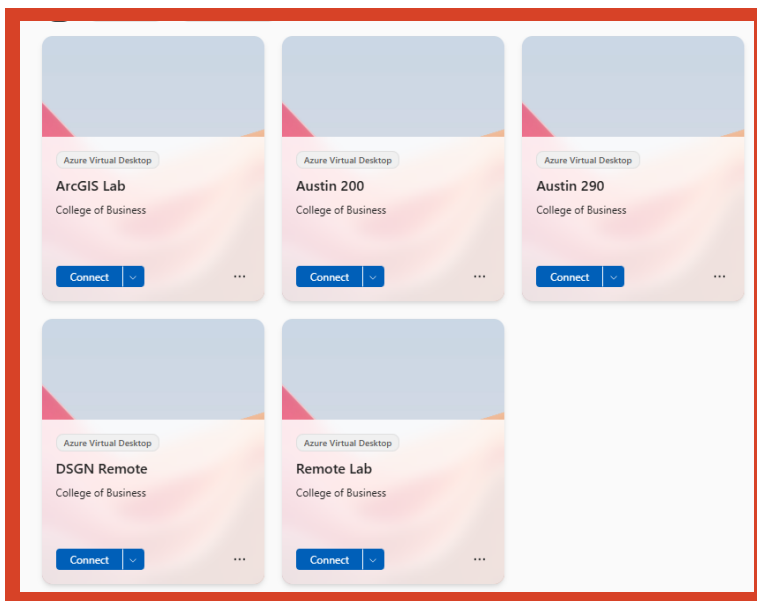

1) Open a web browser and navigate to
'cob-remotelab.business.oregonstate.edu'

2) Make sure you log in using your
ONID email and password

3) Depending on your classes,
select the lab you wish to access.
Software can be major specific, but
'Remote Lab' is accessible by all
business students

A screenshot of the Microsoft sign-in page. At the top is the Microsoft logo. Below it is the text 'Sign in'. A text input field contains the email address 'beaverb@oregonstate.edu'. Below the input field is a link that says 'Can't access your account?'. A blue button labeled 'Next' is positioned to the right of the input field. At the bottom of the page, there is a section titled 'Sign-in options' with a key icon.

4) Select your Preferences then click Connect

In Session Settings

Select the devices or features your resource can use.

- ☒ Clipboard
- ☒ Keyboard shortcuts (Preview)

i Your session will start in full screen to enable keyboard shortcuts.

[Show Advanced Settings](#) 

☐ Don't show again [Connect](#)

5) Enter your ONID Email and password and click Sign In

The sign-in screen features a blue padlock and a yellow key icon at the top. Below the icon, the text "Sign in" is centered, followed by the instruction "Verify your identity and sign in with your work account." There are two input fields: the first contains the email "beaverb@oregonstate.edu" and the second is labeled "Enter password". A blue "Sign In" button is located at the bottom right.

6) You are now connected to a virtual desktop

The virtual desktop environment displays the Oregon State University College of Business logo and a message: "Remember to save your work often. Files saved to the computer are deleted automatically on logoff. Make Sure to save all files to a cloud service or your ONID drive." The desktop includes a taskbar with various application icons such as Recycle Bin, PuTTY, Adobe Acrobat 2020, SQLiteStudio, Firefox, Tableau 2023.2, Google Chrome, VLC media player, IBM SPSS Statistics, WinSCP, LINGO 20.0 x64, Microsoft Edge, and Notepad++.
