1) Open a web browser and navigate to ‘cob-remotelab.bus.oregonstate.edu’

2) Make sure you have ‘ONID’ selected, then log in using your ONID username and password

3) Depending on your classes, select the desktop to access:
   ‘AUST-DHE-REM’ has software specifically for design students,
   ‘AUST-REMOTE’ is accessible by all business students
4) You are now connected to a virtual desktop

Remember to save your work often. Files saved to the computer are deleted automatically on logoff. Make sure to save all files to a cloud service or your ONID drive.
